

HyperFest 2024 - KONI Downhill Attack by Jet-Hot

Do you have a Power Wheels car gathering dust or rainwater in your backyard? No need for it to slowly turn into junk in your backyard - we can turn it into junk QUICKLY on the legendary "Rollercoaster" at VIRginia international raceway! Bring it to HyperFest 2024 at VIR and RACE IT!

WHEN: Saturday May 18, 2024

WHERE: The legendary "rollercoaster" section of the 3.27 mile VIRginia International Raceway race track.

HOW: One brave soul, a Power Wheels style ride-on toy and gravity.

PRIZE: \$100 to the winner. Nothing for second because second place is just first loser.

RULES:

1. Electric motor(s) must be removed.
2. ***Battery must be removed.
3. Wheels must be stock ("OEM") plastic. No rubber wheels or rubber modifications to the wheels.
4. No added ballast. (does not include the four cheeseburgers you had before the race)
5. Riders must sign the official waiver and follow all instructions from VIR and HyperFest staff.
6. Starts must be from a standstill. No pushoffs you cheating cheaters!

*** You *may* add a battery to power any lights/electronic accessories on your car - anything that (safely) enhances the show. However, if you are caught trying to power a hidden motor or are even suspected of cheating, you will be BANNED FOR LIFE!
